Parliament Tracker is an initiative by CAPE, to inform Singaporeans on parliamentary proceedings and promote access to our political processes.

CAPE, or the *Community for Advocacy & Political Education*, a student organisation based in Yale-NUS College, was founded in 2017 by a group of students from Yale-NUS College and NUS Law. We are a community that examines local civic affairs relating to civil society, and provides avenues for Singaporeans to contribute constructively. We envision a Singapore where citizens are politically conscious and proactively engaged in civil society, policy making and social change. In this aim, we are focused on increasing political literacy and making civil participation accessible.
